The Queens Head,
Chesterfield Road,
Belper.

Wednesday, June 8th.
8pm.

What's Peak Oil ?
How will affect us ?
What can we do
about it in Belper ?

The END of SUBURBIA

Oil Depletion and the Collapse of the American Dream.

This film has been millions of people's introduction to the peak oil concept around the world. Winner of many awards, it sets out the case for peak oil in a clear, understanding and sobering way. This is truly one film that will change your life, and the way that you look at the world.

To be followed by a discussion about issues raised by the film .
